

FOOD SAFETY, HALAL & QUALITY POLICY

THE BEST IN US:

ITT Foods is committed to achieving the highest possible standards in every aspect of its production activities of tasty Sauces and Mayonnaise, thereby providing the customer with a premium quality with efficient service products that are Safe, Halal, and Nutritious.

COMPANY PHILOSOPHY:

We believe that the responsibility for achieving quality and food safety commitments lies with every single ITT FOODS employee, in how they do their job and in their relationship with stakeholders. Quality and food safety is the responsibility of every employee that has a direct influence on ingredients, packaging, manufacturing, storage and the transport of products.

The following food safety, Halal & Quality principles are the base foundation of ITT FOODS

- Quality with consistency is the key to customer satisfaction achieved & maintained the highest possible standards
- Never compromise on food safety and hygiene condition
- Manufacture, Process and supply products that meet the highest food safety, quality and halal standards
- Ensuring the compliance of regulatory, statutory and customer requirement are met
- By introducing food safety system at all level of products realization
- Provide adequate information, instruction and training of all employees to enable all food to be safely and efficiently produced
- Set annual measurable quality and food safety objectives for all operations, and at group level, to ensure continuous improvement and compliance with all standards
- To obtain required accreditation wherever and wherever required
- To strive for becoming a center of excellence in Halal, Food safety and Innovation
- Food safety and quality is everyone responsibility
